Message from Borough Council President Tony Musso

Hello fellow Red Lioners,

I hope you all had a great summer! With cooler weather and the holidays just around the corner, I hope everyone had a wonderful year as 2025 comes to a close. Let's welcome 2026 with even more hopes and dreams for our community.

I want to acknowledge and thank all our council members for all their hard work in 2025. We are often asked why we choose to do this job. We do not get rich from it or reap special benefits. We do it because we love our community! Most times it is a thankless job and for the few that make up our council, they have experienced many eye-opening situations and have learned that many government procedures are slow-moving. At the end of the day, we do all that we can for the best of our community.

Tony Musso

I say thank you to the staff in our office and to the public works department. They keep our borough running with their day-to-day duties and continue to maintain our roads and parks for the community to enjoy.

Remember that it doesn't cost anything to give a smile or say a simple hello! Let's all be good neighbors! I want to wish everyone a wonderful holiday season!

Sending my love,

Tony Musso
Borough Council President

BOROUGH MEETINGS

The public is always welcome to come to Borough meetings. The following are the meeting schedules and some information on what happens at those meetings.

The Borough Council meets for a "work session" the first Monday of each month at 7 pm. At that meeting, issues can be discussed, but no decisions can be made. This gives everyone on Council an opportunity to digest the information they are given and be prepared to make a decision at the "regular" Borough Council meeting, held the second Monday of each month at 7 pm. It is at this meeting those decisions, in the form of motions and votes by the council members, can be made and then action can be taken. The public can attend either meeting to express their concerns about things, but it is only at the regular Council meeting that an actual decision can be made.

The Planning Commission meeting is held on the third Monday of the month at 7 p.m. This meeting is only held as needed. The role of the Planning Commission is to review any subdivision and land development plans, make recommendations to the Zoning Hearing Board for any upcoming hearings, and to review codes and ordinances that may need to be revised, updated, etc. and make those recommendations to the Borough Council.

The Zoning Hearing Board meeting is only held "as needed" on the Tuesday following the regular Borough Council meeting, at 6pm. The Zoning Hearing Board is a quasi-judicial body that renders decisions on specific types of land use appeals and applications. Members of the Zoning Hearing Board are appointed by the Borough Council. Although the Zoning Hearing Board functions like a court, formal court procedures are not strictly required. This Board does have their own attorney that is separate and distinct from the attorney that works with the Borough Council and Planning Commission.

RED LION BOROUGH INFORMATION

REMINDER! THE BOROUGH OFFICE HAS MOVED!!

Red Lion Borough Office has moved to 438 E. Lancaster Street, Red Lion, PA 17356. The Municipal Authority (Water Authority) is still located at 11 East Broadway. The Borough has converted the old Pleasant View Brethren in Christ Church into offices and a meeting room. The Borough Offices are located in the rear of the building and the meeting room is in the upper level. Best of all, there is plenty of parking! Please note, not only has our address changed, but so has our phone number (717-850-0790) and the fax number (717-850-0797).

RED LION BOROUGH INFORMATION/ PUBLIC WORKS

BRANCH & LIMB COLLECTION:

starting on September 29th

Branches and limbs must be placed at your trash collection site by 7am starting on Monday, September 29th. We will collect from one street at a time. Limbs may be up to 6 inches in diameter and 4 to 6 feet in length. The borough reserves the right to refuse items that do not meet the requirements and is not responsible for cleaning up.

FALL LEAF COLLECTION:

Approximately October 6 - October 31

The pickup schedule varies depending on the weather conditions. We appreciate your understanding that this schedule must be flexible. Please place leaves at the curb; they will not be picked up if they are placed elsewhere. Do not mix any other items with the leaves. We will get to your leaves as soon as we can. There will be no collection on Borough holidays. Leaves in plastic trash bags will not be picked up.

DO NOT place your leaves at the curb before our collection begins. Doing this will clog our storm drains, and they MUST remain clear of debris.

IMPORTANT NOTE: The Public Works Facility cannot accept yard waste items at their location. You can take those items to the York County Solid Waste Authority's Resource Recovery Center where they will be diverted to their Yard Waste Transfer Facility, provided it is free of contaminants and meets end user requirements. Yard waste includes leaves, garden residues, shrubbery, tree trimmings that do not exceed 6' in length or 24" in diameter and tree stumps that do not exceed 24" in diameter. NOTE: Before doing this, visit their website at www.ycswa.com, or call them at 717-845-1066, for requirements and restrictions you will need to be aware of.

CHRISTMAS TREE COLLECTION:

January 5 - January 19

The Borough will pick up discarded Christmas trees beginning January 5th. Trees should be placed at your usual trash pickup site and MUST NOT be in a bag. All decorations and tinsel must be removed.

HOUSE NUMBERING

All properties in Red Lion Borough are currently required to affix house numbers as to be plainly visible from the sidewalk of the street upon which houses, stores, or other buildings are erected but in no event can be less than four inches high and with a stroke width of less than 1/2 inch. This assists first responders in finding you in an emergency, friends and family to locate your home, as well as the delivery of packages and mail. We are also encouraging property owners that abut other alleys, roadways, and lanes to post a number on the rear of your dwelling, fence, or garage on the rear facing of the property. This will help first responders, trash pick-up, and public works

to ensure they are identifying the correct property when there is a need to do so. Trash and public works might not be a big deal if there is an error, but emergency services could be life or death. Thank you for helping them help you.

ZONING & CODES ENFORCEMENT

From the Desks of Erick Sowers and Kathy Andrews

QUALITY OF LIFE TICKETING PROGRAM

Red Lion Borough has implemented a Quality of Life Ticketing Program. This program is for certain property maintenance violations and is similar to the Red Lion Borough parking violation tickets. When a problem property is identified by a Red Lion Borough Code Official, a courtesy notice identifying the violation will be posted on the property. If the violation is not corrected within the time specified on the notice, a violation ticket will be issued and posted on the property or delivered to an adult resident of the property. Fines will start at \$25 for the first offense and will increase with each additional violation, up to \$300. Tickets are to be paid within ten (10) days of receipt in accordance with the instructions on the ticket. If not paid within those ten days, a citation will be issued through the district magistrate's office, which will include additional court costs. Some of the most common violations include: Nuisance vehicles, Items not for outside storage, Grass and weeds over 6 inches, and accumulation of refuse.

SNOW AND ICE ON SIDEWALKS

Snow and ice must be cleared or treated on sidewalks to a width of 36" within 12 hours after the snow stops or the ice forms. If the snow stops or ice forms after 6 PM, it must be removed or treated by 6 PM the following day. A Quality of Life violation ticket will be issued without a courtesy notice. It is also unlawful to place any snow or ice into a public street or alley. The most complaints come from the school district or the parents of children who walk to school or to the bus stop. SO PLEASE REMEMBER, OUR CHILDREN NEED A SAFE WALKING SURFACE TO SCHOOL AND BACK!

BUILDING & ZONING PERMITS

Most maintenance to residential properties does not require a building or zoning permit; however, additions, structural changes or repairs, sheds, fences, and walls will require a permit. Commercial properties typically require a building permit for almost all types of work. Contact the Borough Office for more information.

SIDEWALK PERMITS

A permit is required to replace a sidewalk along a public street; there is a \$25 inspection fee for the permit. Please note that the applicant must pick up a copy of the specifications, and receive the permit prior to beginning work.

SNOW EMERGENCIES

In the event of a severe winter storm, the borough may declare a snow emergency. Local radio and television stations will be advised, and it will be posted on our website and notifications sent to Savvy Citizen. You shall not park a motor vehicle or allow a vehicle to remain parked on Main Street, High Street, or Broadway after a snow emergency is declared. Fines start at \$75.00 and may be assessed every eight hours.

TRASH & LARGE ITEM COLLECTION

Do not place trash or large items at the point of collection more than 12 hours before your collection day, which is Friday for all residential customers. Refuse being stored for collection must be placed in a container which shall not permit blowing or scattering by wind and shall be rodent-proof, insect-proof, and watertight. If you have a different circumstance, please call our office and we will work with you. One recycling bin can be picked up at the borough office.

NUISANCE VEHICLES

The outdoor storage of any motor vehicle that is without a valid inspection certificate displayed for a period of more than 30 days is a nuisance and must be removed or stored in a fully enclosed structure.

TENANT REGISTRATION & INSPECTION

Landlords must register all occupants over the age of 18 within 30 days of occupancy of a residential rental unit. Each unit will be inspected annually for smoke alarms & fire extinguishers by Codes enforcement.

TENANT COMPLAINTS

Red Lion Borough has a housing maintenance and occupancy code which deals with the maintenance of residential dwellings. If you have a complaint about your rental unit, a complaint form is available in our office.

TREE TRIMMING

To avoid damage to borough equipment, personal vehicles and for the safety of everyone, trees must be kept trimmed to a height of 14' above and along the edge of the roadway and 9' above sidewalks.

The Red Lion Lions Club was founded on January 5, 1924, and is dedicated to serving the Red Lion community. Lions are best known for fighting blindness, but in addition to vision we also support the following Global Causes in our community and around the world: diabetes, hunger, environment, and childhood cancer.

Every journey begins with a single step. One act of service, one encouraging word, one gift of generosity is often all it takes to bring hope where it's needed most.

Our Motto: We Serve

We are always looking for anyone 18 years or older to join the Red Lion Lions Club and help in the Red Lion Community. Please consider becoming a Lion!

100% of donations received are used directly to serve the local community.

Lions pay quarterly dues to cover all administration costs. We meet the 2nd and 4th Tuesdays of each month at 6:15 pm at St. John's UCC Social Hall, 161 N. Main St., Red Lion, PA

THE RED LION GRANGE NO.1781

RED LION AREA AMBULANCE ASSOCIATION

312 Horace Mann Ave. | Red Lion, PA 17356 | 717-244-0983
Bradley E. Ream, EMS Manager, RLAAA | rlaaa@redlionambulance.com

Greetings to all residents of Red Lion Borough!

Red Lion Area Ambulance Association (RLAAA) continues to provide top quality emergency service to all residents of Red Lion Borough even as the call volume continues to increase every year. We have an open invitation to our Mayor, Council President, and Borough Manager to schedule a ride-a-long with the crew at RLAAA to experience firsthand what an emergency medical provider goes through in a day.

RLAAA offers an Annual Ambulance Subscription that runs January 01-December 31, which helps offset the cost of an emergency ambulance transport to the hospital. We also have a reciprocal agreement with all surrounding emergency services to honor each other's subscriptions. If you did not receive your annual application in the mail, please contact our office!

Do you have a group that would like a tour of the ambulance building and the ambulances? You can contact our office to schedule a time to come by and take a look.

Have a Great Holiday Season!

RED LION EMA

John Brownlee - Emergency Management Coordinator - Red Lion Borough EMA
RedLionEMA@gmail.com • (717) 858-2583

Greetings from Red Lion EMA! As I type this it is nice and hot outside, when you read it, it'll be a whole lot cooler - that's the beauty of living in the Susquehanna Valley. Things have been fairly peaceful lately (and hopefully will remain so!). In addition to on-line classes and Webinars, Emergency Coordinators also have the pleasure of Quarterly Training Sessions with The County Emergency Offices. This training has included demonstrations with Met-Ed, talks with PennDOT, and briefings from other Coordinators as to what's happening in their various jurisdictions. That's the latest from your EMC - stay safe and I'll chat again in the Spring.

RED LION AREA BUSINESS ASSOCIATION

651 Lombard Rd., Suite 122, Red Lion, PA 17356
www.RLABA.com • info@rlaba.com

As we reflect on the remarkable growth and vibrancy of our beloved town, the Red Lion Area Business Association would like to extend our heartfelt gratitude to everyone who has contributed to our thriving community. It is through the collective efforts of residents, local businesses, and community organizations that we have achieved such remarkable success.

First and foremost, we would like to thank every community member for their unwavering support and volunteerism. Your patronage and loyalty to our local businesses have played a pivotal role in fostering a solid economic foundation, allowing us to continue to grow and flourish. Your commitment to shopping locally has not only contributed to the success of our businesses but has also helped to create jobs and foster a sense of community pride.

RED LION YOUTH CENTER PRESCHOOL

Address: 190 S. Charles Street, P.O. Box 154, Red Lion, PA 17356
Preschool: 717-244-6493 call or text • E-mail: redlionyouthcenter@gmail.com

We currently offer a three-year-old class that meets Tuesdays and Thursdays from 9am to 11am. and a four/five-year-old class that meets Mondays, Wednesdays and Fridays from 9am to 11:15am. This program is to prepare children for kindergarten. The preschool is located on the lower level of the Red Lion Recreation Building.

In addition to our regular preschool programs, we have a Lunch Bunch program that is offered to children ages 2 1/2 to 6 yrs. of age. Lunch Bunch meets every day following our preschool day for 2 hours. Parents may bring their child just to lunch bunch, or extend their child's preschool day to eat lunch, enjoy social interaction with other children their ages, play games, do crafts from time to time, play outside and have fun!!! We now have an outdoor play area that we use...weather permitting.

Please call or text 717-244-6493 for more information and costs for both of these programs.

UNLOCK YOUR INDEPENDENCE:

SHARE A RIDE WITH RABBITTRANSIT

Imagine being able to travel around town with ease, regardless of mobility challenges. rabbittransit's Shared Ride (a.k.a. "paratransit") bus service is here to provide an accessible solution for community members like you. This service is primarily designed for individuals with varying mobility needs, connecting them to essential destinations within the community,

from medical appointments to the grocery store. Read on to learn how easy it is to get started.

How to Apply: To find out if you're eligible for rabbittransit Shared Ride service, contact the customer service team at 1-800-632-9063. Once your eligibility is verified, the next step is to fill out an application. This can be done by asking customer service for assistance while on the phone with them, or the application is also found on our website - www.rabbittransit.org. If you require a Personal Care Assistant (PCA) to accompany you during travel, they will also need to be registered.

Scheduling Your Ride: Once registered, you will be able to manage your trips through PennDOT's FindMyRide website at www.findmyridepa.org. All Shared Ride trips require a reservation, which can be made online or by calling rabbittransit customer service up to two weeks in advance. Same-day reservations must be made by 1:30 p.m. Otherwise, reservations must be made no later than 12:00 p.m. the business day before your ride. For weekend trips, submit reservations by 12 p.m. on the Friday before. Any adjustments to your ride, or if you need to cancel, can be made on the FindMyRide website, or by calling customer service. If traveling with a PCA, inform rabbittransit during the reservation process to ensure space availability. If you need extra help or have specific requests, don't hesitate to contact rabbittransit.

Paying Your Fare: Fare information by County is available online at <https://www.rabbittransit.org/fares/paratransit/>. Please note the fare payment made in cash must be the exact amount. Another simple way to make payment is to add funds to your FindMyRide account online. Go to: <https://www.rabbittransit.org/product/paratransit-shared-ride-transportation/>. Enter your desired amount in the "Name your price (\$)" text box, click "Add to Cart," and complete the checkout process. Please note that it may take up to two business days for funds to appear in your account.

Enjoying Your Trip: On the day of your ride, be ready for pick-up a few minutes early. rabbittransit drivers are trained to assist you with getting on and off the bus, and will secure your mobility device(s), such as walkers or wheelchairs, inside the vehicle as necessary. Once seated, make sure to fasten your seatbelt. Finally, keep in mind that a shared ride trip will usually take longer than the same trip in a personal vehicle. Bring any supplies necessary to last the duration of your trip, including oxygen (if needed) and other medical aids.

By following the simple steps outlined in this article, you can unlock your independence and enjoy worry-free travel with rabbittransit. With the support of rabbittransit's dedicated team, scheduling your rides, paying your fare, and enjoying your trip has never been easier. Stay safe, stay mobile, and explore your world with confidence.

Commute with rabbittransit!

Working second or third shift can be challenging, especially without reliable transportation. To help ease the burden, rabbittransit has partnered with Commute with Enterprise to offer rabbitWORKS, a flexible and affordable vanpooling solution designed to make getting to and from work more accessible.

rabbitWORKS, helps employers and individuals form a vanpool with 5-15 coworkers or neighbors who live near one another. Enterprise provides a recent-model SUV or van, and riders can choose to rotate driving responsibilities.

Participants pay only \$40/month for the first five months. Starting in month six, the fare increases to \$80/month, with the remaining cost subsidized by rabbittransit. The monthly fee includes insurance, maintenance, and 24/7 roadside assistance.

Vanpooling isn't just practical - it pays off. Participants can save up to \$10,000 per year due to reduced fuel, toll, and vehicle maintenance costs. When you commute solo, all those miles, gas receipts, and repair bills add up quickly. With vanpooling, it adds up differently: more savings, less wear and tear, fewer stressful drives, and more time to relax or connect with coworkers.

Residents of Dauphin, Cumberland, or York Counties, regardless of where they work, are eligible to participate in the rabbitWORKS program. More information is available at: <https://www.rabbittransit.org/services/rabbitworks-vanpool/>.

Additionally, prospective employer partners and participants can contact Bill Whiteside at 717-725-5406 or William. Whiteside@em.com.

Questions about the program can also be directed to rabbittransit's Customer Service Department at 1-800-632-9063 or email rabbitWORKS@rabbittransit.org.
