Message from Borough Council President Tony Musso

Hello Red Lion Borough,

I hope everyone had a wonderful holiday season that brought new wonderful things to you and your family in the new year.

With Winter over and Spring here, the Borough has many upcoming events. These include Breakfast with the Easter Bunny, Food Truck Fridays, Movies in the Park, Summer Camp, and the return of Suds and Songs. Rec has a bunch of activities this summer for all ages like the Great American Camp Out, Fireworks, Stay at Home Car Show, USA Field Hockey, the Splashpad, and more.

A special thanks to Jordan Ilyes and both Chad & Donna Ward for believing in Red Lion and for the time, energy and money invested in our Borough.

To our residents, be a good neighbor. It doesn't cost anyone anything to be kind to one another. Keeping an eye out for each other is priceless.

I'd also like to take a moment to thank a very special lady, who has dedicated over ten years to our Borough. She has spent countless hours/days of her own time helping with events. She has gone above and beyond with doing the best job she can do for our Borough. Dianne Price..... Thank You!

Sending my love,

Tony Musso

STATE REPRESENTATIVE WENDY FINK

94th Legislative District

100 Redco Ave., Red Lion, PA 17356 • 717-244-9232 • RepWendyFink.com • Facebook.com/RepWendyFink

Rep. Wendy Fink Ready to Serve You!

Hi, I am Rep. Wendy Fink. On November 8th, I was elected to serve as your state representative in the 94th Legislative District, serving parts of York County where I am a proud lifelong resident.

I intend to bring fresh ideas and perspective to the General Assembly while maintaining a strong conservative voice. My focus as a lawmaker includes education reform, election integrity and being a citizen legislator like our forefathers intended. I firmly believe government serves the people and has a specific, limited role to play in the lives of citizens

Before my election to the state House, I received a bachelor's degree in elementary and early childhood education from Millersville University. I was a substitute teacher at Red Lion and Dallastown school districts for two years before temporarily leaving teaching to stay at home to raise my children. After staying at home for 16 years, I returned to teaching until 2020, when I took my kids out of public school and stayed home again, until taking another position at Grace Academy teaching fourth and fifth graders.

I am grateful to play an active role in my community by attending local school board and municipal meetings. This helps keep me up to speed with what is happening around the district. I am also involved in my church where I have taught Sunday School for 20 years and volunteered to help my church's youth group. When I'm

not working or volunteering, I love spending time with my family and reading.

My husband, Jason, and I live in Windsor Township with three of our four children.

While many of you are friends and neighbors, I look forward to getting to know you in this new capacity. To keep up to date with all the latest news, be sure to follow me on Facebook at Facebook.com/RepWendyFink and watch for my regular email updates. If you haven't signed up to receive them, visit my website at RepWendyFink.com to do so!

Contact my District Office for Assistance with State Programs and Issues

My district office at 100 Redco Ave., in Red Lion (just off Route 74) is open and able to provide many services to assist you. Among the services my staff and I provide are:

- Driver's license and vehicle registration
- Birth and death certificates
- Property Tax and Rent Rebate applications
- Voter registration forms and absentee ballot applications
- State tax forms.

We are open Monday through Thursday from 8:30 a.m. to 4:30 p.m. and on Fridays from 8:30 a.m. to 2:30 p.m. For help, call 717-244-9232.

The office will also stock literature and information pertaining to state departments, programs and services.

YORK COUNTY SOLID WASTE AUTHORITY

2700 Black Bridge Rd, York PA 17406 | 717-845-1066 | www.ycswa.com | info@ycswa.com

Spring Cleaning

As the mercury rises and plants begin to bloom, we naturally begin to think about how to freshen up our home. If you take advantage of the warmer temperatures to do some spring cleaning, feel free to access our website to learn how you can properly dispose of items that you no longer want or need. Simply use the search tool on our homepage at www.ycswa.com. You will have an answer within seconds.

Backyard Composting Workshops

York County residents are invited to register for a Backyard Composting Workshop offered by Horn Farm Center and sponsored by YCSWA. Workshops will be held on April 6th and April 20th from 4:30-6:30 pm at Horn

Farm Center. Those who take part will learn how to use both yard and food waste to create their own composting bin at home. Each hands-on session will emphasize affordability and simplicity. Participants will leave with their own twelve-foot roll of welded wire to get them started on their own backyard composting bin, a composting brochure that highlights important information covered in the class, and hopefully an appreciation for the natural process of decomposition. Visit <https://hornfarmcenter.org/backyard-composting/> for more information or to register.

Electronics Recycling

In Pennsylvania certain electronics are restricted by law from being disposed of in the trash due to the toxic metals they contain. The Covered Device Recycling Act (CDRA), Act 108 of 2010, requires the following “covered devices” to be recycled in Pennsylvania:

- Computers
- Computer Peripherals (keyboard, mouse, printer, etc.)
- Computer Monitors
- Televisions

YCSWA provides a FREE Electronics Recycling Program. All York County residents can bring electronics to our Small Load Drop-Off Area located at the York County

Resource Recovery Center on Blackbridge Rd. to be recycled at no cost. For more information about electronics recycling, visit <https://www.ycswa.com/disposal-of-household-waste/electronics/>

Curbside Recycling

Knowing what to put in your recycling bin is very important. If you put items into your recycling bin that do not belong there, the entire bin might be considered “contaminated”. The contents of contaminated bins are collected and taken to our waste-to-energy facility instead of being recycled into a new product. Most municipalities offer curbside or drop-off recycling services. If you are confused about what should be deposited in the recycling bin, your first step is to contact your municipality for those details. Items accepted for recycling may vary depending on the type of recycling program and/or where you live. For additional information about curbside recycling in York County, visit <https://www.ycswa.com/recycling/>.

Environmental Education Programs and Tours

YCSWA offers FREE educational programs throughout the year. Whether you are looking for an in-person or virtual program for your community group, classroom, or summer camp, we are available to teach lessons such as Waste-to-Energy, Recycled Paper Revelations and Vermicomposting: Worms with an Appetite (for Waste). Visit <https://www.ycswa.com/environmental-education-programs/> for more information. Our staff also offers tours throughout the year. We are happy to host groups, large or small, at our waste-to-energy facility, the York County Resource Recovery Center, or at our closed landfill and recreational area, Hopewell Area Recreation Complex. For more information, visit <https://www.ycswa.com/tours/>.

EMERGENCY SERVICES

Alliance Fire and Rescue Services Inc. Station 77

Station 77-1 Red Lion and Station 77-2 Felton
(717) 244-8811

Dick Sterner, president@alliancefireandrescue.org

Alliance Fire and Rescue Services would like to thank the communities we serve for your support and making our Annual Fund Drive a success! Your much needed gifts help us respond to your needs with updated equipment as well as maintain that equipment so it is ready at a moment's notice. We manage an expensive business and every dollar you donate counts.

Have you ever thought about serving the community that you live in? Would you like to start making a difference in your hometown? Alliance Fire and Rescue Services is always looking for additional members. A firehouse family is like no other family you'll ever belong to. We are not only here to respond to calls but also for our fellow members during times of need and to share in each other's lives. Enjoy helping your neighbors by riding the fire trucks when people need you most. Or is fighting fires not your thing? We have a great need to help us fund raise. We hold Bingos, Crab Feeds, Gun Raffles and have our own wedding/party venues. These events that are held assist us in creating a vital stream of income that helps us purchase apparatus, maintain buildings, and keep our bills paid. We can certainly find a spot for you to help give back just like we do.

Call the Firehouse today at (717) 244-8811 or go online to fill out an application for membership at www.alliancefireandrescue.org

Alliance Fire and Rescue Services also has TWO Venues that may be rented out for your wedding, party, or corporate event! Call (717) 244-8811 to schedule your private tour and see the possibilities!

Red Lion Area Ambulance Association

312 Horace Mann Ave. | Red Lion, PA 17356 | 717-244-0983

Bradley E. Ream, EMS Manager, RLAAA | rlaaa@redlionambulance.com

Greetings Red Lion Borough!

Red Lion Area Ambulance Association (RLAAA) wishes everyone a safe, up and coming spring/summer season. RLAAA is proud to be your primary Emergency Medical Services provider that serves Red Lion Borough residents with the best quality possible. RLAAA is committed to continuously improving our services through training and education, updating equipment, and maintaining high standards of infection control practices. The support of the community allows for RLAAA to provide the best possible service for residents and their families.

Emergencies are not planned, but we plan for the emergency. RLAAA offers an annual ambulance subscription program to help offset the out-of-pocket expenses that insurance companies don't pay. These subscriptions are mailed out to Red Lion Borough residents and are recommended to have in case of a medical emergency.

RLAAA is a non-profit organization thriving on community support. Each year a Memorial Day Fund Drive is mailed out for residents to pay tribute through donation to an organization that they choose. These donations are used locally to support your ambulance service. Your contribution makes a difference and is sincerely appreciated.

National EMS Week is May 21st-27th of this year! This week is to honor the contributions of EMS providers that work on the medical front line. Our EMS providers are consistently giving their best to provide quality EMS services in time of need. Join us in celebrating EMS week by attending our Hands-Only CPR course being offered by RLAAA for free. Anyone is welcome to attend. Class is scheduled for May 23, 2023, at 6pm. Please call the station at 717-244-6339 to sign-up. We hope to see you there!

Serving our community, making a difference, one call at a time.

Hollie Englestad
Public Information Officer, RLAAA

GOLDEN CONNECTIONS COMMUNITY CENTER

Evening Line Dancing

The Golden Connections Community Center offers a variety of evening line dance classes each week. We start the week out with evening classes every Monday from 6:00 pm – 8:00 pm. These classes cost \$3.00 per person. Walk-ins are welcome. Make sure to bring your own water bottle as you are likely to break a sweat.

The GCCC also would like to announce its continued partnership with internationally known dance instructor and choreographer, Michael Diven (Dare2Dance) Michael hosts Friday Night Line Dancing events every Friday night. No experience is necessary! Admission is \$7.00 per person, and lessons are provided from 7:00 pm – 8:00 pm, followed by open dancing from 8:00 pm – 10:00 pm. Starting February 5th, 2023, the GCCC is happy to announce that Michael Diven (Dare2Dance) will be offering Line Dancing events on Sunday evenings as well, from 4:00 pm – 7:00 pm. Admission is \$7.00 per person.

2023 Golf Tournament

The Golden Connections Community Center is happy to announce plans for the 2023 “Tee it High & Let it Fly” Annual Golf Tournament to be held on Friday, April 28th, 2023, at Pleasant Valley Golf Club in Stewartstown, PA. The Tournament format will be a team scramble – captain’s choice. The GCCC is looking for sponsors and golfers alike to join us for a day in the sun to relax and have fun. If you are interested or would like more information regarding this event, please contact Heather Goebeler, Executive Director at (717) 244-7229.

What does the Golden Connections Community Center offer?

Since our founding goal of the Golden Connections Community Center has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The GCCC offers a wide range of free services and programs to seniors aged 60 and above. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission.

You can visit the Golden Connections Community Center Monday thru Friday from 7:30 am to 2:30 pm at 20 Gotham Place, Red Lion or visit our website at www.gcccenter.com.

Meals on Wheels Drivers Needed!

Looking for a great volunteer opportunity in 2023?

Do you want to make a positive difference in many seniors’ lives?

Do you like putting smiles on people’s faces?

If you can donate a few hours a month in the mornings, Meals on Wheels would be perfect! We desperately need caring volunteers to help deliver meals to our local seniors in the Red Lion area. These seniors rely on our services, as sometimes the only food they get is what we bring them. Volunteers are an integral part of this program. Without them, we could not provide these much-needed services. For more information, please contact Ami Barnard, Meal Coordinator, at Golden Connections Community Center at (717) 244-7229 or mealcoordinator@gcccenter.com

Rentals

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event you plan on throwing, then look no further. The Golden Connections Community Center offers space to rent for all types of events. You can rent our building, which offers two spacious rooms, and access to tables and chairs for only \$50.00 per hour. Dates fill quickly, so if you have need for a rental space, contact Kasie Ream, Director of Social Services, at (717) 244-7229.

-The Golden Connections Community Center is in part funded by the York County Area on Aging

ZONING & CODES ENFORCEMENT

From the Desk of our Zoning & Codes Enforcement Officer, Dan Shaw:

QUALITY OF LIFE TICKETING PROGRAM

Red Lion Borough has implemented a Quality of Life Ticketing Program. This program is for certain property maintenance violations and is similar to the Red Lion Borough parking violation tickets. When a problem property is identified by a Red Lion Borough Code Official, a courtesy notice identifying the violation will be posted on the property. If the violation is not corrected within the time specified on the notice, a violation ticket will be issued and posted on the property or delivered to an adult resident of the property. Fines will start at \$25 for the first offense and will increase with each additional violation, up to \$300. Tickets are to be paid within ten (10) days of receipt in accordance with the instructions on the ticket. If not paid within those ten days, a citation will be issued through the district magistrate's office, which will include additional court costs. Some of the most common violations include:

- Nuisance vehicles
- Items not for outside storage
- Grass and weeds over 6"
- Accumulation of refuse

Please read and become familiar with the following important ordinance information for the spring and summer months:

TREE TRIMMING:

To avoid damage to borough equipment, personal vehicles and for the safety of everyone, trees must be kept trimmed to a height of 14 feet above and along the edge of the roadway and 9 feet above sidewalks.

GRASS AND WEEDS:

Grass and weeds shall not exceed six inches (6") in length. Do not forget grass and weeds in sidewalks and curbs.

GARBAGE COLLECTION:

Do not place garbage at the point of collection in excess of 12 hours before your collection day, which is Friday for all residential customers. Refuse being stored for collection must be placed in a container which shall not permit blowing or scattering by wind and shall be rodent-proof, insect-proof, and watertight.

ITEMS NOT FOR OUTDOOR USE:

The outdoor storage of lumber, scrap metal, construction materials, machinery components, equipment, appliances, furniture not designed and intended for exterior use, or any similar object which is not clearly intended for outdoor use is considered a nuisance and must be removed or stored indoors.

NUISANCE VEHICLES:

The outdoor storage of any motor vehicle that is without a valid inspection certificate or valid registration displayed for a period in excess of 30 days is considered to be a nuisance and must be removed or stored in a fully enclosed structure.

SEVENTY-TWO HOUR PARKING LIMIT:

No motor vehicle shall be allowed to remain parked on any borough highway, street or alley for a period longer than 72 consecutive hours without being moved. When calling to report a vehicle, please include the make, model, color and license plate information.

SWIMMING POOLS:

BEWARE of the swimming pools being sold as a portable kit at almost all retailers. If the pool is capable of holding 24 inches or more of water, you will need to obtain a zoning permit and a building permit. Typically, the zoning permit costs \$30, and the building permit will cost approximately \$150. The pool will also require a 4' high fence around it if the pool is less than 4' high. That low-priced pool now costs \$180 more than what you were planning to spend!!

BUILDING & ZONING PERMITS:

Most maintenance to residential properties does not require a building or zoning permit. Additions, structural changes or repairs, sheds, fences and walls will require a permit. Commercial properties typically require a building permit for almost all types of work. Contact the Borough Office for more information.

TENANT REGISTRATION:

Landlords must register all new tenants over the age of 18 within 30 days of occupancy of a rental unit.

TENANT COMPLAINTS:

Red Lion Borough has a housing maintenance and occupancy code which deals with the maintenance of residential dwellings. If you have a complaint about your rental unit, forms are available at the Borough Office to report the problems.

We meet the 2nd and 4th Tuesdays of each month at 6:15 pm at St. John's UCC Social Hall, 161 N. Main St., Red Lion, PA

Red Lion Lions Club was founded on January 2, 1924 and is dedicated to serving the Red Lion community. Lions are best known for fighting blindness, but in addition to vision we also support the following Global Causes in our community and around the world: diabetes, hunger, environment, and childhood cancer.

Every journey begins with a single step. One act of service, one encouraging word, one gift of generosity is often all it takes to bring hope where it is needed most.

Our Motto: We Serve

We are always looking for anyone 18 years or older to join the Red Lion Lions Club and help in the Red Lion Community. Please consider becoming a Lion!

For more information about Lions or volunteering to help us on projects, please complete this form, and someone will respond.

RED LION MUNICIPAL WATER AND SEWER AUTHORITY

11 E. Broadway, Red Lion • 717-244-3475

The Red Lion Municipal Authority in recognition of Service...

The Red Lion Municipal Authority would like to thank and recognize Dr. Carroll Missimer for his 20 years serving the Red Lion Municipal Authority. The Authority has benefitted from Skip's leadership and as a result has accomplished a multitude of projects to improve the community's infrastructure. Skip has otherwise selflessly served the greater Red Lion community for over four decades, and through his advocacy and leadership our community has greatly benefitted. The Red Lion Municipal Authority, on its behalf and on behalf of the entire Red Lion community, hereby expresses its appreciation for, and gratitude to, Carroll Missimer, and recognizes his long, distinguished, selfless, and continuing service to the citizens of Red Lion.

PENNSYLVANIA'S WEATHERIZATION ASSISTANCE PROGRAM

Pennsylvania's Weatherization Assistance Program increases energy efficiency in homes by reducing energy costs and increasing comfort while safeguarding health and safety.

This Federally funded program provides services to low-income (at or below 200% of the federal poverty level-see chart below) homeowners and renters. There is no cost to either the homeowner, landlord or tenant; however, landlord permission is required.

Some services that may be provided include attic and basement insulation, water heater and pipe insulation, window and door weather-stripping, caulking, broken glass replacement and glazing. Also, the heating system and water heater are tested for efficiency and safety. Inefficient or unsafe heating systems will be repaired or replaced. All work is done on an as needed basis.

LIHEAP eligible households may qualify for heating system tune-ups and/or air conditioning help.

# of Persons	1	2	3	4	5	6	7
Yearly Income	\$29,160	\$39,440	\$49,720	\$60,000	\$70,280	\$80,560	\$90,840

SPRING/SUMMER PROGRAMS

Summer Day Camp

This program provides a lot of fun activities, programs, and special events for kids ages 6 – 12 during the summer months. We take walking field trips, head to the high school pool, play games and make crafts and have a ton of fun and meet new friends!

For more info, please visit www.redlionrec.com. Day camp is \$85 per week or \$17 per day and there will be nine amazing, themed weeks of fun and adventure!

We have recently offered kids baking classes, cheerleading, painting classes, basketball, beginning dance classes, and yoga. We plan to continue to offer more of these great activities for residents and those who live outside the Borough. For information on upcoming classes and registration forms, visit Red Lion Recreation’s website, www.redlionrec.com, our Facebook page, or contact us.

If you have an interest in starting a new program, please contact the Red Lion Recreation Office. We always like new ideas, and we are willing to help get programs started.

SPLASH PAD AND PAVILION IN FAIRMOUNT PARK

Hours of Operation: 9 AM – 8 PM

Splash pad may be closed at any time due to weather, maintenance, or other operational concerns.

Our Splash Pad will be open daily, weather permitting, by Memorial Day. During the summer, we try our best to post the status of the Splash Pad on our home page, www.redlionpa.org or on our Facebook Page www.facebook.com/RedLionRec. Please keep in mind that our Splash Pad is unsupervised. For your safety, the Splash Pad is under video camera surveillance and is regularly monitored.

TO START the Splash Pad, locate Activator in the center of the pad and gently press to activate sequence.

If the pavilion is rented, it will NOT be available for your use. When visiting the Splash Pad, please keep the following Rules and Regulations in mind. Visitors may be asked to leave and not return if violations are committed.

- All children under the age of 10 must have adult supervision.
- Toddlers must wear swim diapers.
- Patrons engaging in horse play or foul language will be asked to leave.
- Climbing on the splash pad features is strictly prohibited.
- Keep glass containers, bicycles, skateboards and in-line skates off the splash pad.
- No food or drink on the splash pad.
- NO SMOKING.
- No pets allowed on splash pad.
- NO items such as water balloons, water guns or other toys on the pad at any time.
- All trash must be picked up and thrown away.

Parking for the Splash Pad is available in the following areas:

- Parking lot at the Red Lion Recreation Office, which is located at our Community Building, 190 S. Charles St.
- Along S. Charles St.
- Along Fairview St., behind Horn Field (There are 2 sets of stairs from Fairview St. into Fairmount Park.)
- Along the SOUTH (park) side of Boundary Ave. Please do NOT park along the north side of Boundary Ave. This is residential parking only. Please do NOT park in the library parking lot!

PAVILION RENTAL

The pavilion outside of the Splash Pad is available for rental. Please note that renting the pavilion does not include the Splash Pad.

There is no guarantee that the Splash Pad will be open during the time of your pavilion rental. Contact the Recreation Office at 717-244-3475 ext. 230 or email gbibney@redlionpa.org to check on availability of the pavilion.

RED LION YOUTH CENTER

190 S. Charles St., P.O. Box 154 | Red Lion, PA 17356 | 717-244-6493 | info@redlionyouthcenter.org

PRESCHOOL

The preschool is in the lower level of the Red Lion Recreation building located at 190 South Charles Street, Red Lion, PA.

We currently offer a 3 to 4 year old class that meets Tuesdays and Thursdays from 9am to 11am, and a 4 to 5 year old class that meets Mondays, Wednesdays and Fridays from 9am to 11:15am from the end of August to the middle of May.

LUNCH BUNCH

In addition to our regular preschool programs, we offer a Lunch Bunch program which is offered to children ages 2 1/2 to 6 yrs. of age. Lunch Bunch extends the hours and ages of children that can be in our program. Lunch Bunch meets every day following our preschool day for two hours.

Parents may bring their child to spend just two hours with us, or extend their child's preschool day - to eat lunch, enjoy social interaction with other children their age, play games, do crafts from time to time, play outside and have fun!!! We now have an outdoor play area that we use, weather permitting.

Please call 717-244-6493, message us on Facebook, or email us at redlionyouthcenter@gmail.com for more information and costs of both of these programs.

THE YORK COUNTY PARKS

Kelsey Frey, Manager of Education | York County Parks | 717-428-1961 X3 | NixonCountyPark@YorkCountyPA.gov

There are many free and low-cost family activities this spring and summer at the York County Parks! Please see www.YorkCountyParks.org for the full list of activities. Summer camp registration is currently open for week-long nature day camps. Maple Sugaring Days in February and March are a great way to explore the winter woods and learn about maple syrup at Nixon Park. This Earth Day and Arbor Day weekends there are multiple service projects available for students and their families to help improve wildlife habitats and plant native trees (Habitat Action Days)! Most Sunday afternoons nature walks begin at 2pm and discuss various seasonal themes. There are special displays rotating through the Treasury of Wildlife at Nixon Park including Nature Play activities in February, and Insect Photography in April. Please call to register for programs in advance at 717-428-1961. We hope to see you out exploring your parks!

The Volunteers at SASC are Awesome and provide a valuable service to our members and homebound community. We continue to need Home Delivered Meals drivers and individuals willing to call our homebound once a month, we have volunteers that take several homebound on our meal delivery routes and call them and check in on them once a week. You'll find our volunteers providing their expertise and support throughout the center. Our members are the center! We Connect to provide resources and opportunities to our members and community. We need people with a

heart for our senior population to lend their skills and resources, if only for 6-12 months or as you can, to assist in our mission to promote the health, emotional, social, and intellectual well-being of senior adults living in the community. Through daily programming, members are offered enriching opportunities in a safe, fulfilling environment for senior citizens.

The SASC/Connect Community honored its Veteran's and their families. There was a special dinner, flag sets given to center Veterans and roses to the family members. Special honors were given to Calvin Leiphart and Norm Crone, both purple heart recipients. Norman "Norm" Crone was presented with

his Veteran of Peace Medals. Norm was in the Airforce and his Peace Medals were just sent to him by mail and outgoing representative Stanley "Stan" Saylor respectfully presented the mailed Medals to Mr. Crone. At SASC we care about all seniors, and the needs that come with aging. We have a Veterans group with a special heart for those who sacrificed for our freedom, and their families. At SASC/Connect, we remember!

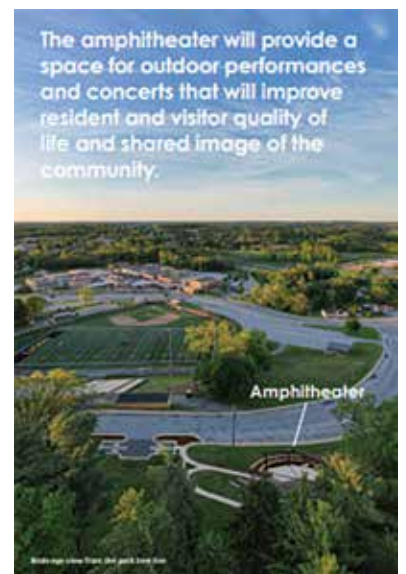

SASC/Connect Provides daily lunch for seniors, provided by the York Area Agency on Aging and welcome seniors to come, and enjoy a meal and time of socialization. SASC/Connect honored its delivery driver for his dedicated service to our center.

RED LION AMPITHEATER

The Borough of Red Lion proposes to install a naturalized, 480± SF, amphitheater stage at its existing Fairmount Park. The park is the Borough's premier park and is well integrated within the community being adjacent to the public library and existing high school athletic facilities like the football field. The goal of the project would be to create a uniquely naturalized amphitheater space by integrating the new structure into a two-acre hillside covered with existing evergreen trees. The lower limbs of the tall pines and firs have been removed so visitors have views across the distant landscape while hearing the wind gently swaying the limbs above. The addition of the amphitheater would further enhance the image of the park and provide a great venue for outdoor performances. The park has easy access to public utilities and existing parking that is efficiently shared with the neighboring users described above. Fairmount Park is located at a local highpoint from the main entrance off of Boundary Avenue. The upper half of the existing 12± acre park is organized around a large lawn area and includes a focal-point war memorial, pavilions, playground, walking loop and a popular splash pad. The south side of the property is more naturally wooded and slopes relatively steeply toward Fairview Street. This makes an ideal natural amphitheater space. At present this approximately 2-acre portion of the park is relatively unused. The existing slopes are covered with tall pines and fir trees

which would provide shade and a uniquely naturalized venue. The amphitheater would be nestled at the bottom of the hill to minimize impacts to the existing trees and picturesque view. Locating the amphitheater near Fairview Street would also provide convenient existing parking and access for bringing performance equipment to the site. A key component of the project will be designing ADA access from Fairview Street. A grant was received for this project and Red Lion ROARS matched the grant funding.
